

THE BENEFITS

Wall murals can be one of the best ways to make an impact. Full color printed graphics make great focal points in a multitude of different situations. Wall murals can be produced as a permanent fixture on a wall or a removable graphic that can be repositioned in a different area. Combined with our design experience and wide format printing capabilities, Martin Design can turn a boring wall into a communication tool.

APPLICATIONS

There are many applications for wall murals. Retail situations and waiting rooms are one of the most popular. Almost any wall surface can be used. A custom wall mural can be printed on wallpaper material for a more permanent situation or printed and contour cut on a removable vinyl for a graphic that may need to be repositioned. Here are some other great applications for wall murals:

- School lobbies & auditoriums
- Car dealership showrooms
- Kids rooms, rec rooms, home theaters
- Restaurants
- Lobbies - displaying current promotions in banks, insurance offices & hair salons
- Public utilities offices and shop buildings promoting safety or special events
- Sports and Race teams for resale
- Board rooms and meeting facilities
